

Checking Account

The Friendship State Bank has always protected and respected your personal, private financial information. We've never sold your name or personal data to third parties, like many other banks may do. And now, as a part of our Secure-ID Checking Account, we want to help you protect your personal information in all of your financial transactions: credit cards, online transactions, and wherever your money takes you.

THE PROBLEM OF IDENTITY THEFT

Identity theft is a serious crime that occurs when an unauthorized person uses your identifying information – such as your Social Security or driver's license number – to take over your account or open fraudulent new accounts.

Despite the steps people take to protect themselves, identity theft strikes between seven and 10 million new victims each year.

If your identity is stolen, you may face the frustrating, time-consuming and often expensive task of reestablishing your good name and your credit standing.

Deluxe ID TheftBlock® Plus 2.0 (Included with Friendship Secure-ID Checking)

This is an advanced monitoring service that supports you by looking for early signs of identity theft, and gives you the help you need should an identity theft occur.

Deluxe ID TheftBlock® Plus 2.0 provides these benefits as long as you are enrolled:

Proactive Credit Report Monitoring – ongoing monitoring of credit bureau activity each business day.

Membership Kit/Credit Report – initial copy of credit report, along with other helpful creditor contact information.

On-line Credit Reports – anytime, online access to your credit report during enrollment.

Security Alerts – notification of certain credit report changes.

Deluxe® Check Order Screening – monitoring incoming orders for potential signs of identity theft.

Fraud Prevention e-Newsletter – e-mailed monthly with the latest information about identity theft and how you can protect yourself.

Expense Reimbursement – up to \$2,500 for qualified expenses as a result of identity theft, at no additional cost, after a \$250 deductible. (*Expense reimbursement does not cover lost or stolen funds and cannot be combined with other coverage on the account.*)

Here's how to sign up!

Simply open a Friendship State Bank Secure-ID Checking Account. Full information can be found in the Personal Products brochure or from any representative.

Log on to www.deluxe-idtheftblock.com and enter the Activation Code you will receive upon opening the account. Follow the clear and easy instructions and you are on your way!
